DANGER – ULTRAVIOLET RADIATION

*Follow proper and safe tanning procedures.

*Avoid overexposure, as with natural sunlight, overexposure can cause eye and skin injury and allergic reactions. Repeated exposure may cause premature aging of the skin and skin cancer.

*Wear protective eyewear.

FAILURE TO USE PROTECTIVE EYEWEAR MAY RESULT IN SEVERE BURNS OR LONG-TERM INJURY TO THE EYES.

*Medications or cosmetics may increase your sensitivity to ultraviolet radiation. Consult a physician before using sunlamp or tanning equipment if you are using medications or have a history of skin problems or believe yourself to be especially sensitive to light.

*If you do not tan in the sun, you are unlikely to tan from the use of this product.

Prior to my initial exposure I was given the opportunity to read the warning above. It was provided to me by the staff at The Mansfield Community Center. I believe to the best of my knowledge that the information above is fully understood.

Therefore, I relieve The Mansfield Community Center harmless from all liability or damage that may occur.

For individuals UNDER the age of 18 years, parent or legal guardian must also sign consenting to the above warning and for use of tanning equipment.

My signature below constitutes that 1) I was given the opportunity to read the warning above. 2) I have read and understood and fully agree to relieve The Mansfield Community Center from all liability or damage.
